Stephen N. Baker
Director, Public Safety
Chief of Police

**KFD BOARD OF WARDENS MEETING
FEBRUARY 25, 2021**

Current Projects:

The Covid-19 Task force continues to meet weekly. Currently working on plans for Commencement and the fall semester. The URI-KFD Cooperative Agreement has been signed and approved for payment once an invoice is received. The Information Technology Services Department is conducting a forensic audit of all Public Safety IT systems in order to better secure them from possible intrusion.

Meetings/Training

URI Police are all attending First Responder Autism Training. Police are continuing to work toward State accreditation and reviewing all policies. These policies are being uploaded to a new Training and Accreditation Software program.

On February 3rd there was a meeting to discuss some of the road projects scheduled for this summer. West Alumni Drive between Tootell Road and Plains Road will be returned to a 2-way roadway and the speed bumps and parking will be removed.

On February 10th there was a Zoom meeting including URI Public Safety, KFD, UFD, SKPD, SKEMS and the Town Manager to discuss Rescue response. It was a very good meeting and a policy is being developed by all concerned to ensure that Rescue 6 is not left out of these responses.

Fire Related Activity

Fire Alarms (5) Causes: Faulty Equipment (3), Burnt Food (1), Alarm Tech (1)

Respectfully submitted,

Stephen N. Baker, Director of Public Safety & Chief of Police
